

Mission Statement

St. John's Lutheran School
Newark, Delaware

*Our Mission: Listen to, Live for, and Share Jesus Christ –
God's Only Savior for All People*

St. John's Lutheran School is dedicated to the service of the Lord and to spreading his Word through Christian education and through outreach into our community. As part of that mission, the Board of Education oversees St. John's Lutheran School. The role of the school is to teach children God's Word and to raise them to love and serve the Lord. With God's help, we strive to have the students see their own personal missions become service to the Lord in whatever their future careers may be. Furthermore, St. John's provides the children with a solid education that prepares them to be productive citizens and that helps them to develop and learn to use their God-given talents effectively. The foundation of our education is God's Word, and our curriculum provides systematic and thorough instruction in it. Our teachers teach all of the secular subjects in the light of God's Word and emphasize how all creation shows God's glory.
